Dear Howie:

Thank you for your participation in "Be Our Guest", a non-profit educational tradeshow for the Gwinnett hospitality industry. Your support helped to make this event a success.

Your magical talent added so much fun to the event; and your donation of a gift certificate for your services to be used as a door prize was appreciated. The recipient was extremely happy.

It was a pleasure working with you on this event and we look forward to a long and mutually beneficial relationship.

Yours very truly,
